*** IMPORTANT NOTICE ***

ADDITIONAL STATEMENT OF 1994 INFORMATION RELATING
TO REAL ESTATE MORTGAGE INVESTMENT CONDUITS AND
CERTAIN COLLATERALIZED DEBT OBLIGATIONS

The following supplemental page(s) are being provided to you pursuant to Internal Revenue Service regulations, Code Section 1.6049-7. It contains certain information necessary for you to compute your actual taxable income for 1994 on a regular interest in a Real Estate Mortgage Investment Conduit ("REMIC") or other Collateralized Debt Obligation ("CDO"). The amounts provided apply to \$1,000 in face value (original principal or stated maturity) of the debt obligation and to each accrual period or part thereof within calendar year 1994. The issuer(s) may have treated stated interest payable on the security as Original Issue Discount ("OID") and therefore included interest in the amount of OID being reported. Rules for computing proper taxable income are complex and subject to varying interpretations. You may wish to consult your tax advisor and/or refer to the enclosed REMIC tax guide for assistance in determining your individual tax liability.

The information used to calculate reportable income was obtained by us from the issuer, its trustee, or an agent of the issuer. We are not responsible for any costs incurred as a result of late, inaccurate or incomplete information.

ADDITIONAL STATEMENT OF 1994 INFORMATION RELATING
TO REAL ESTATE MORTGAGE INVESTMENT CONDUITS AND
CERTAIN COLLATERALIZED DEBT OBLIGATIONS

The following supplemental page(s) are being provided to you pursuant to Internal Revenue Service regulations, Code Section 1.6049-7. It contains certain information necessary for you to compute your actual taxable income for 1994 on a regular interest in a Real Estate Mortgage Investment Conduit ("REMIC") or other Collateralized Debt Obligation ("CDO"). The amounts provided apply to \$1,000 in face value (original principal or stated maturity) of the debt obligation and to each accrual period or part thereof within calendar year 1994. The issuer(s) may have treated stated interest payable on the security as Original Issue Discount ("OID") and therefore included interest in the amount of OID being reported. Rules for computing proper taxable income are complex and subject to varying interpretations. You may wish to consult your tax advisor and/or refer to the enclosed REMIC tax guide for assistance in determining your individual tax liability.

The information used to calculate reportable income was obtained by us from the issuer, its trustee, or an agent of the issuer. We are not responsible for any costs incurred as a result of late, inaccurate or incomplete information.

Dear Chairman Johnson:

This is to amend my Financial Disclosure Statement for calendar year 1994. On Schedule III (page 4 of my report) the following item was inadvertently reported incorrectly due to a typographical error:

WV Broadcasting WTNJ leased land I own to station for antennae /nonemployee compensation

The correct amount of income from this asset should have been reported as \$5,001 - \$15,000.

Sincerely,

INSIDE MAIL

Dear Ms. Carle:

This letter is for the purpose of amending my financial disclosure statement for calendar year 1994.

I inadvertently failed to list the following:

Schedule III should include Crown-Cork stock with a value of between \$50,000 to \$100,000. The stock pays no dividends.

Schedule II should include this listing of honoraria made to charity:
February 2, 1994 - Speech to the National Association of
Wholesaler-Distributors -- \$750.00.

Item 7B-2

June 20, 1994 - I was reimbursed for expenses in the amount of \$419.53 for travel for purposes of speaking to The Ohio Regional Transit Authority Association meeting in Cincinnati. The address is Regional Transit Authority, 615 Superior Avenue, N.W., Cleveland, Ohio 44113.

Respectfully submitted,

NOTES TO COMPANY SCHEDULES III AND IV, Continued**

- (9) (a) As previously reported, the Member is a vested participant in a qualified pension plan (Lee Distributing Company, Inc. Employees' Pension Plan) sponsored by his former employers. Under this plan, the employers made contributions to a qualified pension trust, based generally on participants' compensation. Because the Member, prior to 1985, ceased to be an employee of any contributing employer, no future contributions to such pension plan on behalf of the Member are anticipated. The category of value is based on the latest available actuarial data, which is inclusive of the Member's spouse's interest in such plan.
- (b) The Member, through prior service as a member of the Virginia House of Delegates, began receiving in 1994 a retirement benefit from the Virginia Retirement System. The category of value is estimated, based on the present value of expected future benefits.
- (10) In recent years, the investment in the common stock of Patterson Land Corporation, based on available information and in the absence of any income, was not reportable. However, for 1994, there was dividend income, and a value, based on the best available information, is being reported for the common stock of this closely held Virginia corporation. Its principal office is in Henrico County, Richmond, Virginia.

The Clerk, U.S. House of Representatives

1036 Longworth House Office Building
Washington, D.C. 20515

Dear Sir:

Please accept this letter as an amendment to my 1994 Financial
Disclosure Statement dated May 10, 1995.

Due to a typographical error on Page 3 in Schedule III-Assets and
"Unearned" Income, under Block D Amount of Income the X should
have been placed in Category VIII and not in Category IX. This
would move the gross income from my ranch property from the Over
\$1,000,000 category to the \$100,001 - 1,000,000 category.

Sincerely,

JOE SKEEN
Member of Congress

To Whom It May Concern:

I am enclosing an amended Schedule I - Earned Income to be included in my Financial Disclosure Statement for 1994. My income for two sources that were listed on the Schedule I was inadvertently omitted from the final form.

I am also enclosing a copy of last year's Schedule I, which I used as a worksheet for this year's statement. My handwritten figures which, unfortunately, did not get typed on this year's form, show that the zero amounts in this year's form were simply an oversight.

If I can provide anymore information on this or any other matter, please contact me.

Sincerely,

Mike Ward
 Member of Congress
